Lilley's "China Hands" is an excellent work and insightful look into one family's nine-decade history in China. Included is Lilley's career as a CIA agent in Asia as well as his years in diplomacy in Asia and notably China, culminating in his role as American ambassador to China during the first Bush administration.

China Hands: Nine Decades of Adventure, Espionage, and Diplomacy in Asia by James Lilley (with his son, Jeffrey Lilley) is a fascinating look at the author's international life from his childhood in China to working as a CIA operative to serving as an ambassador. I find that I absorb history better when it's told in the first person.
