Greedy Bug Book Reviews

I've loved the Dumb Jock series by Jeff Erno since I read the first

book back in 2012, so I was thrilled when I saw that a wrap-up book had been written. This "jock and nerd fall in love" series is one of the best I've read and has always held a special place in my heart, so reading this final book was a lot like getting the Extended Edition Director's Cut of "Lord of the Rings" for me.
