BMW E36s are phenomenal cars. My first two cars were BMW E36s, I initially developed my interest in cars through maintaining my E36, I have a YouTube channel dedicated to BMW E36 repair, and I used to operate a business parting out cars with E36s as my bread and butter.. That being said, over the years I have developed a lot of knowledge concerning 3 Series BMWs and E36s in particular.

A BMW E36 brake repair is surprisingly one of the easier jobs you can perform on your 3 series vehicle. If you have ever taken your BMW to the repair shop for a brake pad and rotor replacement, you probably experienced a systolic blood pressure reading equal to the model number of your car when you received the bill. Brake maintenance on BMW's, much like engine oil maintenance, has become a ...
