In his latest book, Happiness: Unlocking the Mysteries of Psychological Wealth, Diener sums up the results from his twenty-five years of research on happiness. He underlines four central ingredients for a happy life: 1. Psychological wealth is more than money. It is also your attitudes, goals and engaging activities at work.

### Diener and Happiness

Happiness in Western Culture. In our culture, it is commonly believed that happiness is achieved when you become rich, powerful, or popular. The young want to be that popular pop idol, the old dream of winning the jackpot. We often seek happiness by removing all stress, sadness, and irritations. For some, happiness lies in mood-altering therapies.
