LibriVox is a unique platform, where you can rather download free audiobooks. The audiobooks are read by volunteers from all over the world and are free to listen on your mobile device, iPods, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete.

### Love In Between Love Series

The bro-mance between Changge and Zhuyuan is also very enjoyable although I don't love where the the story goes for both characters. The real hook of this largely plot driven drama besides the satisfyingly bloodthirsty action is discovering hidden identities, motives and secrets, understanding Qingci's ruthless strategies and his end game and how he adapts when things don't go completely to plan.

I enjoyed the love between the leads but I still think that if FL had to choose at the end of the series to save ML or her shifu, she would still save her shifu and not him. I love their love story but there's just something about it that I feel isn't the most "genuine" I guess.

Both struggle to trust and love, but both overcome a lot of these problems. Little Charley is a delight. I love it when an author brings in the innocence of a child into the book, my heart melts. We know that there is more to come from this series, as we know from the beginning it was fate that these two came together.
