Like the 1000 series, the 2000 series are entry-level phones. However, the 2000 series generally contain more advanced features than the 1000 series; many new 2000 series phones feature color screens and some feature cameras, Bluetooth and even A-GPS, such as in the case of the Nokia 2710. The 2000 series slot between the 1000 and 3000 series phones in terms of features. The Nokia 3000 series ...
