**The Body Finder 1 Kimberly**  
The Body Finder is an unfortunate example of wasted potential. I am sad to say that, because I feel that Kimberly Derting throws out some great ideas, ones that could have been amazing, but inevitably fell short and got buried under a nauseating romantic plot and a sea of characters who were nothing more than stereotypes.

**The Body Finder (The Body Finder, #1) by Kimberly Derting**  
A gripping tale of a girl with a morbid ability that could lead her to a killer . . . and the boy who would never let anything happen to her. The first book in the Body Finder series from Kimberly Derting is equal parts romance and mystery.

**The Body Finder - Kimberly Derting - E-book**  
The Body Finder by Kimberly Derting is one of those books that you'll be thinking about days after finishing the last page. It's sort of a haunting story, that catches you in its grip and refuses to let go. What first struck me about The Body Finder was Derting's careful crafting of sentences. Phrases like these stuck out at me from every page:
