A320 Technical Guide

This interactive iPad guide offers an in-depth look into the systems of the Airbus A320 equipped with IAE and CFM engines. All pilots from initial type rating to Captain upgrade can benefit from this concise study guide.

Airbus A320: An Advanced Systems Guide

The A320 Study Guide was created by a need to produce one document with all the information required to learn the basics of the A320 systems, limitations and the associated failures all in one place. There are many other great products or documents that go into the technical aspects in far greater detail than ours, however sometimes this can be a bit of an overload of information.
