Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Recently I purchased and had installed an AKAI reverse cycle split system aircon (TEM-26CHSAAU), the one that was cheap at Bunnings. It all seemed to work ok when I first tested it, however I couldn't test the heating until later that night as the manual says that it won't work if the outside temp is over 24c.
