The Federalists countered that a strong government was necessary to lead the new nation and promised to add a bill of rights to the Constitution. The Federalist Papers, in particular, argued in favor of ratification and sought to convince people that the new government would not become tyrannical. Finally, in June 1788, New Hampshire became the ...

Many question whether politicians are actually interested in the needs of average citizens and debate how much influence ordinary people have over what government does. Those who support the elite theory of government argue that a small, wealthy, powerful elite controls government and makes policy to benefit its members and perpetuate their power.
