"Many college programs will find a way to calm you down before your audition by offering a group warmup or talking to you and getting to know you before you start your audition material.

## **College Audition Advice to Know Before Stepping Into the Room**

Start scheduling auditions as soon as you're able to, and pick the earliest audition dates that you can. Colleges will deny it, but the earlier audition days do have more of an advantage. If they let you pick your own time slot, always. go. first. In my opinion, on campus auditions are a lot more personal and aren't usually as rushed.
