Every year nearly 1.5 million Americans buy a new or used boat, ranging from large yachts to small cruisers to canoes. The Boat Buyers Guide from BoatUS is designed to make it easier for you to buy a boat by explaining the sometimes-confusing process and pointing out the areas that can trip up a buyer.

Buying & Selling Advice | BoatUS

Buying a boat is not like buying a car. It isn't a need, but a want (although it's debatable for some), and it's an experience you should enjoy. You work hard, and now you get to reward yourself. The most important thing to do when shopping for your boat is to be honest with yourself about how you'll use it.

If your boat is small, however, and there's only room for one battery due to space or weight restrictions, consider buying a dual-purpose marine battery that handles starting and cycling. Bear in mind, however, most dual-purpose batteries won't start an engine quite as well as a true cranking battery and won't endure as many deep discharge/recharge cycles as a dedicated deep-cycle model.
