CAMPAIGN STRATEGY | 10 tactics

Build resources and assets by use of net positive strategies/ tactics. Start with nothing, or not much, and do your campaigning in a way that leaves you with more help, money or other assets and resources than you had before. Then do it again. Being net positive in this way usually requires being more 'popular'.

48 Campaign Strategies | chris rose

The strategy for your campaign should be informed by the size of the electorate, the locality, public mindset, the timing, and methods of voter communication used. In short, every election campaign needs a specific strategy that is influenced by the political climate it's set in.

Local Political Campaign Strategies To Win An ... - CallHub

An effective campaign strategy requires sub-strategies for specific aspects of campaign implementation: The communications strategy, which outlines key messages, and the channels and tools by which the campaign will communicate with the target audiences.

Key elements of an effective campaign strategy

Strategy and tactics always have to be in-line with one another. You might be really enamored with a particular project (i.e. a tactic), but it's only worth pursuing if it aligns with your long-term strategy. Thus, your strategy should inform which tactics your organization will execute or fund.
