The Citroen DS4 shares most of it's mechanical and electrical parts with the C4 so we are able to provide support for both car variants on this site. We are independently owned and run to help provide support for C4, C4 Picasso and DS4 owners. Our mission is to let current (and past) owners help each other and we have now built up over ten years of experience on issues with the Citroen C4 range.

Being an MPV (or people carrier) the Citroen C4 Grand Picasso is all about transporting people around in comfort with additional practicality and not about agility. That said, the steering is direct and it responds well to input. Grip is good in the corners too but being bigger than the C4 Picasso, body roll is even more evident.
