The tax system in Australia is complicated by the federal structure. Taxes can be levied by the federal government, state government and local government. For three financial years (from 1 July 2014 until 30 June 2017), the government has introduced a Temporary Budget Repair Levy of 2% to the top marginal tax rate, increasing the top individual ...

Tax Comparisons Around The World | MoveHub

Proportional taxes require all taxpayers to pay the same fraction of their income, regardless of how much money they earn. That means the tax rate doesn't change as income increases (or decreases). Therefore, this system is also commonly referred to as a flat tax. For example, let’s say we have three friends: John, Jake, and Richard.

Tax Aspects of Fiscal Federalism: A Comparative Analysis provides a comprehensive survey of the distribution of the taxing authority among different levels of governments of a selection of countries.

Tax Aspects of Fiscal Federalism: A Comparative Analysis

Many tax systems tax individuals in one manner and entities that are not considered fiscally transparent in another. The differences may be as simple as differences in tax rates, and are often motivated by concerns unique to either individuals or corporations. For example, many systems allow taxable income of an individual to be reduced by a fixed amount allowance for other persons supported by the individual (dependents).

International taxation - Wikipedia

Countries that are less developed economically must rely more on indirect taxes, such as tariffs and excise taxes. Sanford traces the differences in tax systems to two primary causes. One is a county’s choice of a unitary-style government as opposed to a federalist-style government and the second is the level of economic development.

Why Tax Systems Differ: A Comparative Study of the ...

A comparison of tax rates by countries is difficult and somewhat subjective, as tax laws in most countries are extremely complex and the tax burden falls differently on different groups in each country and sub-national unit.
