Some recipes, for example, appear to be paraphrased from well-known chefs.

Connecting Social Problems And Popular

Now in its second edition, Connecting Social Problems and Popular Culture goes beyond the news-grabbing headlines claiming that popular culture is public enemy number one to consider what really causes the social problems we are most concerned about. The sobering fact is that a "media made them do it" explanation fails to illuminate the roots of social problems like poverty, violence, and environmental degradation.

Connecting Social Problems and Popular Culture ...

"In "Connecting Social Problems and Popular Culture," Karen Sternheimer delivers a necessary synthesis, with a devastating media analysis, in response to the prevalent cottage industry of exaggeration, myth, and invention about popular culture's impacts on youth behavior. And in layering a critique of society, class, and race over actual ...

Amazon.com: Connecting Social Problems and Popular Culture ...

Connecting Social Problems and Popular Culture is an unconvincing study of how the media is blameless for many problems that exist in society. If the author is not citing research reports, she uses her personal anecdotes. Sometimes, she sounds like she is writing a student paper.
