books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Death On A High Floor

Death on a high floor I think the rating is well deserved, death on a high floor, is unique. It keeps one in edge. I liked the twist first am reading then I find myself trying to stop Robert Tarza from being his own detective, this is a different reading experience for me.

Death On A High Floor: A Legal Thriller
This has to be one of the best legal thrillers I've read in many years, with a tight modern and most of all plausible plot set in Los Angeles in a law firm. It was impressive that the characters were not all young sexy high flyers, so I felt at home with the age group :)

“The sounds of his desperate screams, screeching with regret as he fell to his self-inflicted death were so visceral they still haunt me...” A man jumped from the 26th floor of the high-rise ...

The worst sound I ever heard. A man jumping to his death ...

Providing the jump is from sufficient height, certainty of death is very high. Jumping from insufficient height gives a fair chance of survival, with high probability of significant, and often long term, physical injury, plus possibly brain damage. As such, this method is not recommended for a suicidal gesture.
