It focuses on the educational, legal, and social construction of race and racism, and on educational practices related to deculturalization, segregation, and the civil rights movement. Spring emphasizes issues of power and control in schools and shows how the dominant Anglo class has stripped away the culture of minority peoples in the U.S. and replaced it with the dominant culture.

Deculturalization And The Struggle For Equality PDF ...

Deculturalization is the process by which an ethnic group is forced to abandon its language, culture, and customs. It is the destruction of the culture of a dominated group and its replacement by the culture of the dominating group.

Deculturalization is a slow process due to its extensive goal of fully replacing the subordinate ethnic group's culture, language, and customs. This term is often confused with assimilation and acculturation.
