Opioid Prevention Resources for the Workplace & Beyond On a mission to provide educational resources to end the U.S. opioid epidemic through no-cost substance misuse prevention resources, Operation Prevention was developed in partnership with the Drug Enforcement Administration (DEA) to empower educators to tackle the opioid misuse conversation with students.

Science | Discovery Education

Plant reproduction comes in two types: sexual and asexual. Sexual reproduction is similar to human reproduction, which involves the fusion of the male (pollen) and female (ovule) gametes to form a new organism that inherits the genes of both the parents. The sexually reproductive part of a plant is the flower.
