Final Exam Study Guide Example - Colorado State University

Working on the final study means that the committee has approved a doctoral student's proposal, Walden IRB has approved the application to conduct the study, and the student has collected data. At this stage, students are ready to begin writing the final chapters/sections of the capstone. All Walden capstones, whether from professional programs or PhD programs, cover five main areas: introduction, literature review (or the background and context, for students doing a DNP project), research ...

FINAL EXAM PREPARATION. Study Guide; Fall 2018. To help you prepare for the final exam, we are posting a different kind of study guide. Many of you place too much stock on the specifics of practice questions and too little emphasis on outlining lectures and thinking about major points; synthesizing information. Perhaps a different approach may help.
