In an alternate future, Hope Summers becomes Lady Stryfe due to the fact that Cable retired from constantly trying to save the world. Because of this, the future is in terrible shape. She works with Blaquessmith to try to make the future a better place by sending precognition visions to Cable in the past.

Hope Summers (comics) - Wikipedia

“The future of our country rests with young people,” he said. “The future of the country is with our ideas.” The widespread support for Sanders also intermingles the humor and nihilism of a generation of Americans who want to push the government to do more but have no hope in their politicians to push society forward.
