Head To Toe Nursing Assessment Documentation | Lobo Black

I would really appreciate if some of you nurses/students could provide me with some scenerios and how you chart it. For example, a patient came in with burns and had surgery etc. How do you chart the IV site, like the whole head to toe thing. I really need help with documentation...I'm really considering a class designed specifically for charting.

DEPARTMENT OF HEALTH

School management software does not often contain the health components vital to a school nurse's daily routine. They also don't include role-based permissions for limiting Personal Health Information (PHI) access. Welligent has these capabilities. School districts often lack the funding to provide their nursing program with an EHR.
