The vocabulary I have selected is that which seems to me to contain the key words in which both continuity and discontinuity, and also deep conflicts of value and belief, are in this area engaged. Such processes have of course also to be described in direct terms, in the analysis of different social values and conceptual systems.

Digital Keywords : A Vocabulary of Information Society and ...

Keywords, published in 1976, stemmed from work done during the writing of Culture and Society some twenty years earlier. Looking at the idea of culture and its development had shown Williams that it was only by returning to modulations of the word through history that one could understand even the term itself.
