Although this is not the most exciting part of the marketing plan development, it is still something that you have to do. No budget means no business promotion, so make sure that you set aside enough money, but not too much or too little. Once you are able to do all of this, then you should put your marketing plan into action.

How to Develop a Marketing Plan | Free & Premium Templates

A marketing plan is a document that lets you establish and track your marketing strategy (or strategies) over a period of time. Let's say you want to launch a new product or service. While some businesses might develop these first and then consider marketing as an afterthought, a marketing plan helps you make marketing part of the entire process.

What is a marketing plan? How to write a marketing plan

2. Marketing Strategy. A significant part of your promotional plan is the strategy you will follow. No matter how strong your product or service is, you will need to study your entry market in order to define how you will reach your target audience.
