Money

Passive income is income streams you earn from doing little to no work. You'll have to do some upfront work, but then the money just comes in. Sometimes the money keeps coming in due to the type of passive income. Other sources of passive income are passive because you delegate any maintenance work that need to get done.

In general, passive income is the money you earn from assets you control. (Assets are simply things that other people value; cash, real estate, physical goods, attention, etc.) The drawback is assets usually take either time to build or money to acquire. Here are the 4 types of passive income you can start
