Is it the right reading level? Your child's teacher can tell you what level she is reading at now. An easy way to match your child's skills to the right book is by using sequential readers. These books are labeled "Level 1" or higher on the cover. A Level 1 book is generally for ages 3 to 6, and a Level 2 book is usually good for ages 4 to 8.

Methods in Context. On Paper 1 the Methods in Context Question asks students to think like a sociologist conducting a piece of research. On this site I have a few activities for students to try thinking like a sociologist themselves with some blank templates on teachers, students and parents, and to think about different context that may be investigated.
