Article 2 of the Human Rights Act protects your right to life.. This means that nobody, including the Government, can try to end your life. It also means the Government should take appropriate measures to safeguard life by making laws to protect you and, in some circumstances, by taking steps to protect you if your life is at risk.

Article 2: Right to life | Equality and Human Rights ...

Human existence is a dynamic process involving the increase or decrease of "power" or "life force," of "living" and "dying," and there are different levels of life and death. Many African languages express the fact that things are not going well, such as when there is sickness, in the words "we are living a little," meaning that the level of ...
