AMP Dual Soundplus OPAMP OPA1611 with dual high current output buffer BUF634 provided by Texas Instruments. Featuring a +/-5V swing & high output power. Details The DX90 comes equipped with a 2.4 IPS touch screen with a resolution of 320x240 pixels. It also features a 256-Steps Digital Volume Control giving you ultimate control of the sound output from the player.

iBasso DX90 High Performance 8GB Digital Audio Player ...

The good news though is the playback rated time is around 13 hours according to iBasso which is a huge improvement on the DX90 which sometimes struggled to hit half that mark on the stock battery. Constant native DSD128 decoding and fiddling with the LCD screen on the DX80 will probably drop that marker by a few hours but that is still a more than adequate response from the fixed battery ...
