Running Record Calculator - WordCalc.com
Running records are used to collect information on young readers who are still reading aloud and working on basic skills (think: those who are at reading levels aa-J). A running record captures both how well a student reads (the number of words they read correctly) and their reading behaviors (what they say and do as they read).

What Are Running Records? A Teacher Guide for Planning ...
continuous running records for between 30-45 minutes. This was followed by the observers reading and discussing what they had written, and establishing consensus of the important points. Each observer's running records from one session were typed and given to a colleague to check
