**What Is a Summary Analysis and  
How Can You Make Yours Good?**

Answer: A summary means you are  
telling the main idea of someone else's  
article, book, or other text. A thesis is  
your idea and the main point of your  
essay. If you are writing a summary and

**Analysis vs. Summary**

What is analysis and how is this different than summary? To summarize is to take ideas and present them again in a more concise way. But to analyze is to reach your own conclusions about how the elements of a topic, theory, issue, or story fit together to create something that may not be evident at first glance.
