### Sustainable Livelihood Approach And Climate

Sustainable Livelihood Approach (SLA) has been evolved from the notion of intentional development as a response to the failure of top-down development (Morse and McNamara, 2013, pp.17-18). The integration of SLA into policymaking is the one of the grounds to assert the claim that the concept is absolutely relevant in tackling the problems of climate change (Reed & Ritsema, 2013, pp.67).
