### Learn the Risk | Knowledge · Action · Health

I think I've always felt that there was something quite exciting about taking risks. And there's a great saying, actually, that you only learn when you are at risk and I'm fascinated by both risk and learning, so that has led me to take jobs that people would think "you can't do that, that's just impossible." No it won't be.

### 7 Reasons Why Risk-Taking Leads To Success | HuffPost

For many people, risk-taking or failing is not part of the job description - and with good reason! Building a culture where risk-taking and failure are not frowned upon but instead invite learning has to be the future. Employers need to ensure that the learning environment they shape is safe enough to accommodate failure.
