### **Terrorism - The International Criminal Police Organization**

Terrorism is not new to Southeast Asia. For much of the Cold War, the activities of a variety of domestic ethnonationalist and religious militant groups posed a significant challenge to the region's internal stability. Since the 1990s, however, the residual challenge posed by substate militant extremism has risen in reaction to both the force of modernization pursued by many Southeast Asian governments and the political influence of radical Islam.
