The best way of presenting your character is to create a small story behind it, a reason why your character was created. It shows that the character has its place in space and time, lets people feel interested in our piece of art.

CGMA - Character Creation for Film/Cinematics

Part of creating a compelling character is through a well-developed backstory. Write a fictional biography for your characters. How extensive that bio needs to be is dependent on how major a character you're dealing with. There's no need to imagine every detail of their life, but know what major events shaped their worldview.

Books for Character Designers

Since the 19th century, the art of creating characters, as practiced by actors or writers, has been called characterisation. A character who stands as a representative of a particular class or group of people is known as a type. Types include both stock characters and those that are more fully individualised.

Character (arts) - Wikipedia

4: Create interesting dynamics between characters and environment. Your characters can be at home in or at odds with their environment. There's no reason you have to limit opposition to character vs character conflict. In The Lord of the Rings, for example, Frodo and Sam's love for their native Shire makes venturing forth on a dangerous quest a much more daunting decision.

Novel Characters: 15 Top Character Creation Tips | Now Novel

Firstly, I wanted to create a female character since my portfolio lacked that area of character art. Secondly, I wanted to create a character with pretty intricate hard surface elements to contrast with the innate organic nature of the human figure. My final requirement for the project was to create a character that was just simply beautiful.
