Haskins Society Journal. The Haskins Society Journal presents papers from leading scholars on aspects of the political and social history of the Western European world, through the Viking age and the Anglo-Saxon kingdoms to the break-up of the Carolingian state in the mid 13th century. The principal focus is on the British Isles, and on matters relating to developments in Britain.

Haskins Society Journal - Boydell and Brewer

The Haskins Society, founded in 1982, is an international scholarly organization dedicated to studying the history and cultures of peoples in northwest Europe in the early and central middle ages, and their encounters with societies in the Mediterranean, the Baltic and the larger medieval world. The society holds its annual conference in the late Fall at institutions throughout the US ...

The question of what constitutes good and bad rulership in the central middle ages, in both theory and practice, is the linking theme in this latest volume of the Haskins Society Journal. The nine complementary papers range widely across the Carolingian world, Norman and Angevin England and southern Italy, and the Latin East, exploring contemporary attitudes to rule and rulers (especially kings), and the methods and symbolism of ruling, as
