### Tpi Screening Manual

TPI 135 Manual-Ranging, Average-Sensing Digital Multimeter ... A TPI golf screen is a physical assessment of 13 movement patterns that are important to the golf swing. The physical screen assesses how well your body can move and support itself during the golf swing. The screen requires no equipment and is quick; it takes approximately one hour.

### Tpi Screening Manual

The Titleist Performance Institute (TPI) Physical Screen assesses physical ability and also identifies potential physical limitations that could affect the golf swing. Specifically, the tests from the screen indicate two primary principles that are necessary for the body to make a safe, efficient, and effective swing.

Another option, one a bit more applicable to baseball, is the Titleist Performance Institute (TPI) screen, which is intended for golfers. This screen has a more rotational focus than the FMS. It's important to note that regardless of what screen you decide to start with, one mentioned above or your own, re-testing is vitally important.
