The site mostly features eBooks on programming languages such as, JavaScript, C#, PHP or Ruby, guidebooks and more, and hence is known among developers or tech geeks and is especially useful for those preparing for engineering.

### Transhuman

Transhuman, or trans-human, is the concept of an intermediary form between human and posthuman. In other words, a transhuman is a being that resembles a human in most respects but who has powers and abilities beyond those of standard humans. These abilities might include improved intelligence, awareness, strength, or durability.

### Transhuman - Wikipedia

Transhumanism is a philosophical movement that advocates for the transformation of the human condition by developing and making widely available sophisticated technologies to greatly enhance human intellect and physiology.

Transhuman follows a young journalist into the underbelly of a transhumanist cult, spanning generations leading back to the nazi's during world war two.

### Transhuman (2017) - IMDb

Transhumanism is a way of thinking about the future that is based on the premise that the human species in its current form does not represent the end of our development but rather a comparatively early phase. Transhumanism is a loosely defined movement that has developed gradually over the past two decades.

### What is Transhumanism?

Transhuman is an intelligently written tale by Johnathan Hickman (The Nightly News) and finely illustrated by artist JM Ringuet, and chronicles the corporate wars between two global companies responsible for starting what the tale calls "The Transhumanist Movement" (which might exists for real; I'm not quite sure about this).
