Amazon.com: physics walker 4th edition

Walker generally presented clear, in-depth explanations for non-physics majors and provided a variety of worked example problems throughout each chapter. Some reviewers complained that he does not provide enough worked-examples, but you can't expect the author to show how to do every single type of physics problem encountered- the book would be ...

Walker, Physics, 4th Edition | Pearson

Physics is not all about deriving and using the formulas. The only way you will grasp physics is in a conceptual format. he 1st 1/2 of this book is not helpful at all. They have pages and pages on how to derive the formula w/out explaining the conceptual part. Unless your professor specifically asks for the problems in this book, I wouldn't buy it.
