Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter.

White Lines Tracy Brown

"White Lines" by Tracy Brown is the real reason I read urban fiction...because it's about real life, real situations and real people. Jada Ford, the main character in this novel, did not have the best upbringing...in fact, knowing that a mother's love is one of the most cherished things of this world, you could say she had one of the worst.
